

What Is STEHP?

Massena Independent Living Center, Inc.

The Massena Independent Living Center's Solutions To End Homelessness Program (STEHP) was created to assist households that have been identified as at-risk and without some form of assistance would experience homelessness.

STEHP is a program to transition participants to housing stability, either through their own means or through public assistance as appropriate.

center for people pursuing
greater independence!

Eligible Populations

Eligible Populations fall within two categories:

At-Risk of Homelessness or
Literally Homeless

An **At-Risk of Homelessness** person is someone that has been identified as being in imminent danger of losing their present housing situation and without assistance would otherwise be homeless.

A **Literally Homeless** person is someone who is living in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

All applicants must fall within one of the two categories **AND** fall within the income guidelines below:

Family Size	Gross Yearly Income
1	\$12,600.00
2	\$15,930.00
3	\$20,090.00
4	\$24,250.00
5	\$28,410.00
6	\$32,570.00
7	\$36,730.00
8	\$39,550.00
