

Medicaid Application Assistor – Facilitated Enroller

Assist individuals who are aged over 65, legally blind, and/or disabled with the application for Medicaid. The Facilitated Enroller will help the consumer by preparing and completing the application together one-on-one, and collecting needed documents to submit the application to the local Department of Social Services. Consumers will be primarily located in St. Lawrence & Franklin Counties; on occasion clients may be in Jefferson & Lewis Counties.

DUTIES:

- Attend all necessary training activities to become 'certified' to provide application assistance.
- Attend ongoing assigned training/webinars about Medicaid and related programs.
- Be present and participate in bi-weekly conference calls.
- Attend supervisory sessions with Program Manager(s) upon request to review applications.
- Conduct outreach activities including introducing yourself and your services to other local agencies, attending health fairs, participate in presentations on your services, and attend community meetings, among others.
- Provide individual application assistance and information services in regard to all Medicaid program options including: Medicaid, Medicaid Buy- In for Working People with Disabilities (MBI-WPD), Medicaid Excess Income (Spend-down) program, Medicare Savings Program (MSP), and Medicaid for Nursing Home Care. Training is provided.
- Conduct one-on-one appointments with consumers in a location convenient to them to complete Medicaid applications. The Enroller will travel frequently to enrollment sites and to the homes of the consumers.
- Collect required documentation for the application. This includes sending 3rd party release forms to obtain documents from banks, insurance companies, employers, and more.
- Submit the application in-person to the local DSS office.
- Maintain accurate recording of case details in electronic databases. This program uses 2 electronic databases to record interactions and the outcomes of all applications.
- Complete reporting trackers on the outcomes of applications.
- Participate in maintaining a neat, clean and safe work environment.
- Perform any other duties as deemed legally and ethically necessary by the Supervisor.

SUPERVISION: This position does not act in a supervisory manner. This position works under the direct supervision of the Program Manager, the Quality Review Team, and the Project Coordinator(s).

IMPORTANT - COVID19 Related Policies

- The staff member will be provided with their own private office in our agency
- Masks may be required to be worn within the office at times in the public areas, regardless of vaccination status. The staff member does not need to wear their mask while in their own private office.
- The staff member will have to comply with Infectious Disease protocols when meeting with clients and other staff members. The protocol includes stipulations regarding maintaining social distancing, wearing masks, cleaning your workspace, and sanitizing after meeting with visitors.
- *******MILC, like many other employers in the health related fields - serves consumers with serious and chronic medical conditions. In addition - MILC is an Independent Living Center - where over 50% of staff by mandate must be people with disabilities/chronic health conditions. MILC has implemented a mandatory vaccination program for all employees. Upon hire, an employee would need to provide MILC with proof of COVID19 vaccination.** The program is meant to ensure the safest possible environment for those who work in our agency and/or otherwise visit our offices.
